

Code of Ethics

With the study and preservation of our precious archaeological sites and artifacts in mind, members of the Oregon Archaeological Society shall:

- ~ abide by all local, state and federal laws governing archaeological excavation and the collection, acquisition or sale of artifacts
- ~ be mindful of the need to preserve valuable archaeological information
- ~ report to appropriate authorities any threats or acts of destruction to possible prehistoric and historic archaeological sites, as well as unauthorized disposal or export or import of prehistoric and historic artifacts.
